A Kiss is Just a

Good
after-
noon!

Who's
that?

Oh,
the old
Student
President?

Kuze-senpai
introduced
him to us.

We were in the
same club in
middle school.

This is
Toujima-kun,
a freshman.

That's
me!

Nice to
meet you.

And I am
Vice President
Sneek Sagake.

I'm the Student
Council President,
Nanami Tsuko.

Since we've
got our full
complement
now,

let's
try this
again.

It won't
always be the
case, but around
events things get
pretty busy here.
So just be ready.

And naturally,
the biggest event
of them all is...

The five of
us gathered here
will be this school's
Student Council for
the next year.

Let's
make it a
good one.

You know how a stage production has all sorts of different elements involved, like costumes and background scenery?

So they had the idea to collaborate on a play.

But they didn't just want their work sitting around in exhibitions, they wanted to feature it up on stage.

We've got plenty of cultural clubs here, like the Art Club or the Handicrafts Club.

I guess the Student Council of the time was an especially enterprising bunch.

It ended up being the Student Council?

Except our school doesn't have a Drama Club.

So who was actually going to play the roles?

What do you think?

It could be a lot of fun to try reviving it.

After that, it became a yearly custom.

But about... seven years ago, I think,

they stopped doing it.

The computer
and I made
something like...

First day
of the new
administration,
and all.

Today's
all organizing
papers...?

really, really
want to join the
Student Council?

Say,
Koito-san,
did you...

Well, when you
gave your endea-
ment speech you
were all "I'm gonna
join the Student
Council too!"

Has just come
across as super
motivated,
I guess.

Why
do you
ask?

Not espe-
cially...

Anyway, I
was already
helping out, so
I just ended
up joining.

Hmm...

Why would
you use an
endorsement
speech to
endorse
yourself?

Got
caught up
in the moment,
you might
say... um...

No,
I just...

That's right...
I never did ask.

Why'd you
join the Student
Council?

What
about you,
Maki?

I was on a
sports team in
elementary
school.

but as
it turned
out...

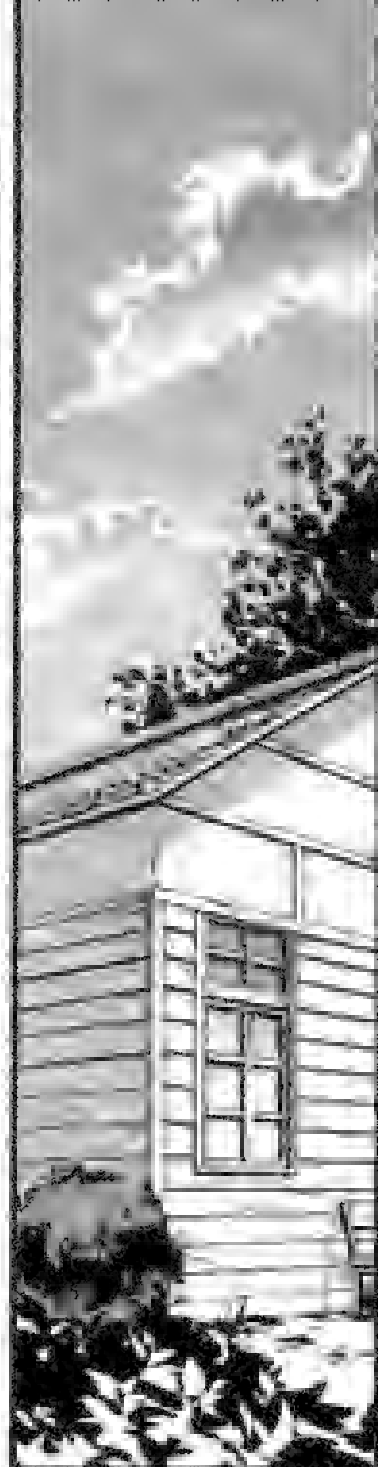

I was better
suited helping
other people play
than playing
myself.

What are
you, the
manager?

I was on the
Student Council
at my middle
school, too.

What are you doing? Homework?

You can use it if you need to, Kaito-san.

I have my own at home.

Yes, I know.

I'm too easy to influence.

Not that. You're really...

You really are...

I don't actually have anything to do on it.

You said
you were fine
just loving me
quietly.

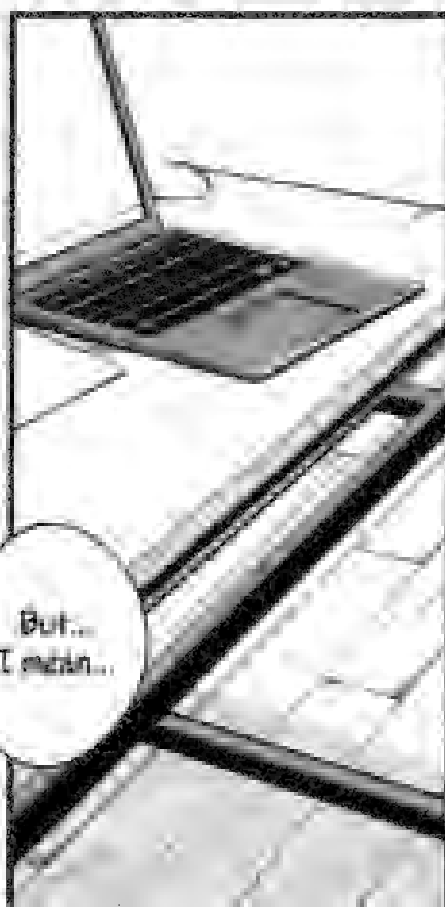

Now you
want to do
this?

Urgh...

Well,
I won't ambush
you like I did
before.

More
excuses!

But...
I mean...

Eugh...

What kind of
Student President
is that?

You keep
changing
everything
you say.
You never
stick to
your word.

Of course I
keep chan-
ging it.

You keep
forgiving
me.

so I keep
wanting to
do more.

flash

It's
all your
fault.

And I'd be lying if I said I wasn't...

Curious at all.

I never claimed to hate it or anything.

But why?

You mean it?

If you're going to make fun of me, permission withdrawn!

What? No!

Please, not that!

What?

You don't love me, yet you still want to kiss?

You're a loose woman, Yui.

She's got such long eyelashes.

Somebody
left this pencil
case.

dash

Huh?

ONLY I
KNOW
THEIR
SECRET...

WHY DO YOU WANT TO PUT ON A PLAY SO MUCH?

I GUESS THAT WOULD HELP HER GET OVER HER NERVES, BUT...

AND NOW SHE WANTS TO PUT ON A PLAY?
